KU graduates 155

More than 900 students received degrees from the University of Kansas after the 2006 summer session. Because KU conducts only one formal commencement ceremony each year, many of these graduates will return as members of the Class of 2008 to take part in commencement exercises May 18.

Graduates from the Emporia area include:

Coffey County: Miranda Leigh Joy, Burlington, master of science in education; Burlington Jennifer Luvane Waller, Burlington, bachelor of science in education.

Morris County — Sara Ashly Snow daughter, Council Grove, bachelor of arts.
